This certificate of conformity is based on an evaluation of a sample of the above mentioned product. This is to certify that the tested sample is conformity with the directives and standards of above mentioned. This certificate does not imply assessment of the whole production. The manufacturer is responsible of the internal production control to ensure the product(s) are in compliance with essential requirement of the directives. The applicant is authorized to use this certificate in connection with the EC declaration of conformity according to the directives.

TOM KWOK/MANAGER

Date of Issue: Oct 28, 2015

The CE marking as shown above can be affixed, under the responsibility of the manufacturer, if all relevant and effective EC Directives are complied with.
